

Tourism and development in mountain regions

Pamela M. Godde, Martin F. Price, Friedrich M. Zimmerman

CABI, 2000 <http://books.google.com/books?id=V1VCVKGvU8kC>

This book discusses the importance of mountain regions, and the precariousness of mountain tourism in the context of ecosystem and cultural conservation. Case studies of mountain tourism existing along with environmental sustainability and community well-being are included. An integrated approach to mountain based tourism balancing the needs of local communities, tourists and environmental conservation is presented.
