

Bibliography

The following documents have been suggested by the contributors to this document as additional reference material. This list, however, is not complete and only the most important documents have been included. Most of the data presented in Chapter 2 and elsewhere have come from country reports or papers prepared for ICIMOD.

Aitken, J.M.; Cromwell, G.; and Wishart, G., 1991. *Mini- and Micro-hydropower in Nepal*, ICIMOD Occasional Paper No. 16. Kathmandu: ICIMOD.

East Consult, 1990. 'Socio-economic Evaluation of Micro-hydro Schemes on Rural Communities of Nepal'. Prepared for ITDG, Kathmandu, Nepal.

Edwards, A.; Brown, A., 1991. *The Role of International Agencies in Promoting Sustainable Micro- and Mini-Hydro Activity in Developing Countries*. Proceedings of the ESHA Conference, Nice, France: European Small Hydropower Association (ESHA)

Harvey, A.H.; Brown, A.; Hettiarachi, P.; and Inversin A.R., 1993. '*Micro-Hydro Design Manual*'. U.K.: Intermediate Technology Development Group.

Hveding, V., 1992. *Hydropower Development in Norway*. Hydropower Development Series, Vol. I. Norway: Norwegian Institute of Technology (NTH), the University of Trondheim.

ICIMOD, 1994. *Mini- and Micro-hydropower for Mountain Development in the HKH Region: Report of the International Experts' Consultative Meeting*. Kathmandu, Nepal: ICIMOD.

Inversin, A.R., 1994. *New Designs for Rural Electrification: Private-Sector Experiences in Nepal*. U.S.A.: National Rural Electric Supply Cooperative Association.

Junejo, A.A. (Ed), 1995. *The Orientation-cum-Training Programme on Mini- and Micro-Hydropower Development in the HKH Region*. Kathmandu, Nepal: ICIMOD.

Junejo, A.A., 1994. *Mini- and Micro-Hydropower Development in the Hindu Kush-Himalayan Region - Status, Prospects and Problems* (unpublished). Kathmandu, Nepal: ICIMOD.

Nafziger, D.L., 1994. 'A Synopsis of Domestic-Sector Impacts at the Andhikhola Hydel and Rural Electrification Project and Their Implication for Future Butwal Power Company Rural Electrification Planning'. A Butwal Power Company Report (unpublished), Kathmandu, Nepal.

WECS/UNDP, 1994. *A Study on Improvement of Economic Viability of Micro Hydropower Plants*. Kathmandu, Nepal: Water and Energy Commission Secretariat.

WECS; 1988: *Report of the Task Force on Rural Electrification Impacts in Nepal* Report No. 4/4/220688/1/1, seq 308. Kathmandu, Nepal: Water and Energy Commission Secretariat.
