## Chapter 1

### a

- agricultural land, 6,8,11
  - khet* (irrigated), 10
  - pakho* (unirrigated), 10
- agricultural land base, 5

### b

- bado* (neighbourhood), 12,13,14
  - bado* system (residential segregation), 13
- basin*, 5,8
  - intermontane, 8
- bhandar* (store), 15
- bhed gamu* (miracle), 27
- Bhotia* (people of Tibetan origin), 11
- bitulo* ('polluted'), 12,13
- borso* (central room or kitchen), 15
- Brahmanic Hinduism, 28
- "*Brahman-Thakuri* consortium", 21

### c

- carrying capacity, 3,17
- Chhetri* (previous
  - Khasa* commoners), 11,20,22
  - matwali Chhetri*
    - (alcohol-consuming *Chhetri*), 11
  - chokha* ('clean'), 12,13,16
- climate, 8
- competencies, 6,7
  - socioeconomic, 6,7
- conceptual, 4
  - framework, 4
  - postulates, 4
- convergence of power, 7
  - economic, 7
  - political, 7

### d

- data, 7
  - household, 7
- Decentralisation Act of 1982, 2
- development programmes, 3,7

Karnali-Bheri Integrated Rural Development (K-BIRD) Project, 3,14  
 Small Farmers' Development Project, 14  
*dhami* (oracle), 27  
*dharma shala* (rest house), 10  
*dharmaic* role (service to the high castes), 24  
*dhwang* (see *pagri*), 14  
 district, 1, 25  
 Jumla, 1,25  
 diversity, 5  
   economic, 7  
   social, 7  
 division of labour, 18  
*dum* ('polluted' caste), 11,12,21  
*Damai* (tailors and musicians), 7,12,13  
*Kami* (carpenters, masons, ironsmiths, goldsmiths), 7,12,13  
*Sarki* (cobblers), 7,12,13  
 dynasty, 2,9,10  
 Kalyal, 2,10,12  
*Khasa Malla*, 2,19,20  
 Rana, 11  
 Shah, 10,11

## e

ecological 'niche', 5  
 endogamous, 21  
 exchanges, 5  
   inter-locational, 5  
   inter-regional, 5  
 exogamous, 20,25

## f

family, 25  
   extended, 25  
   joint, 25  
   nuclear, 25  
 forces of change, 4,7  
   external, 7  
   internal, 7

## g

Gorkha conquest, 2  
 government services, 14  
 Health Post, 14  
 Post Office, 14  
 Great Himalaya, 8  
   northern arm, 8  
   southern arm, 8  
 guidelines, 4

## h

health interventions, 18  
   Acute Respiratory Infection (ARI) Intervention trial, 18  
   Community-based Antimicrobial Treatment of Pneumonia, 18  
 hierarchy, 6,19,20  
   caste, 6,20  
   class, 6  
 Hindu Rajputs, 10  
 holistic frame of reference, 3  
 homeostasis, 5  
   "homeostatic state", 5,7  
   "stationary equilibrium process", 5  
   "steady state", 5  
   "structural functional equilibria", 5  
*hulak* (relay postal system), 10

## i

institutions, 24,25,28  
*haligado*, 24  
*ista* (bosom friend), 25,26,27  
*baisali* (a relationship between two persons who have identical names and like each other), 26  
*dharma ista* (an *ista* relationship without material overtones), 26  
*heetko ista* (a genuine *ista* relationship), 26  
*mate ista* (earth *ista*), 26  
*mit* (each confers upon the other the status of a member in each other's family), 26  
*sangi* (a fellow traveller), 26

*jhara* (compulsory labour system), 10  
*lagi-lagitya* (in the capacity of *lagitya*, the *kamsel* render to their *lagi* specialised services), 24  
*parma* system (agricultural labour exchange), 29  
interactions, 5  
    economic, 5  
    social, 5  
internal diversity, 5  
    altitude, 2,5,8  
    aspect, 5  
    slope, 5  
inter-regional dynamics, 2,3  
interventions, 3,4,18  
interviews, 7

## j

*jat* (relative caste), 19  
    "dominant twice-born 'big' castes", 20-22  
    "untouchable low 'small' castes", 19,20,28  
    *achut* (untouchable), 20  
*jimmawal* (vested with the authority of looking after *khef*), 10  
Jumla principedom, 10  
*Jumli* (people of Jumla), 26

## k

*Kami* (untouchable), 7,12,13  
    *Lohar* (ironsmiths), 13,22  
    *Od* (carpenters and masons), 13,22,23  
    *Sunar* (goldsmiths), 13,22,24  
*kamsel* ('polluted' caste), 11,12,16  
*Khasa*, 9,10,11  
Kingdom of Nepal, 10

## l

land tenure, 10  
limiting factor, 5  
    temperature, 5

## m

*majh khand* (see *borso*), 15  
Malthusian solutions, 17  
management, 3,4,6  
    user-based, 4  
*Markandaya Purana* (an early Nepali text), 9  
marriage, 25  
    hypogamous, 25  
    matrilinial cross-cousin, 25  
*Masto* (highly feared deity), 28  
*mauja* (revenue units), 10  
methodology, 4,7,  
    anthropological method, 7  
micro-level, 3  
mountain, 3,4  
    community, 4  
    stratified Hindu, 4,6,7  
    environment, 3,6,28  
*mukhiya* (vested with the authority of looking after *pakho*), 10  
Multipurpose Service Centre, 13

## n

*Newars*, 11  
non-Hindu *Khasa* migrants, 11

## o

office records, 7  
options, 6,7

## p

*pagri* (an unbroken row of two to seven dwelling units), 14, 15  
*Pahari* (hill people), 11  
pattern of, 2,4,7  
    population distribution, 2,12  
    response, 4  
    settlement, 4,12,13  
population changes, 16  
    child mortality, 16,18  
    death rate, 16

- infant mortality, 16,18
  - population growth, 3, 16
  - principalities, 10
    - Baise* (twenty-two), 10,20
    - Chaubisi* (twenty-four), 10
  - process of change, 6
- q**
- questionnaires, 7
- r**
- race
    - Caucasoid groups, 9
    - Mongoloid tribes, 9
  - religious tradition, 27
    - Hindu pantheon ("hidden gods", non-incarnating), 27
      - Ganesh, 27
      - Shiva, 27
      - Vishnu, 27
    - Masta* pantheon (sons of the Hindu God Indra, incarnating, possessing), 27
      - nine *Bhawani* sisters, 27
      - twelve *Masta* brothers, 27
  - resources, 3,4,5
    - community, 7
    - mountain, 3
    - natural, 4
    - resource use, 5
  - river, 8
    - Hima or Sinja, 8
  - river valley, 1,2
    - Hima or Sinja, 1
- s**
- saligram* (amorite), 27
  - seasonal migration, 4,22,28
  - serma* (cash assessments based on estimates), 10
  - specificity, 5
    - limited resource base, 7
    - natural conditions, 7
  - strategies, 4
    - ecologically-sound, 4
  - stratification, 6,11
    - Hindu caste structure, 11
      - Brahman*, 7,11,12
      - Thakuri*, 2,7,10
      - Chhetri*, 11,20,22
      - dum* or *kamsel*, 11,12,16
  - structure, 4
    - socioeconomic, 4
  - subba* (district governor), 10
  - subsistence, 4,5,6
  - sustained development, 4
  - system, 4,5
    - open, 4,5
- t**
- taxation, 10,11
    - Thakuri*, 2,7,10
      - Hamal (offspring of Acharya fathers and *Thakuri* mothers), 12,21,25
      - Malla, 2,9,10
      - Shahi, 10,12,20
  - topography, 2
  - trading, 4,18,24
  - typologies, 4
- u**
- user groups, 2
- v**
- valley floor, 8,26
  - varna* system (Sanskritic caste system), 19
    - Brahman* (priests and religious teachers), 19,20
    - Kshatriya* (kings, warriors, and aristocrats), 19,20
    - Vaisya* (traders, merchants, other similar professions), 19,20
    - Sudra* (cultivators, servants, and so on), 19,20
    - untouchable castes, 19
  - village *panchayat*, 1,7

**w**

western Nepal, 1,9

**y**

*yagna* rites (in which offerings are made to the fire), 14,15

**z**

Zone, 1,2,4

Karnali, 1,2,4

## Chapter 2

**a**

agricultural land, 37,41,43

*khet* (irrigated land), 31

*pakho* (unirrigated land), 31

**b**

*bado* (neighbourhood), 39,40,41

barter, 54,62

*bennu* (specially prepared seedbed), 49

*bhuwa* (local term for *pakho*), 31,32,35

*ghaderi bhuwa* (*bhuwa* where the homestead is located, i.e., unirrigated land), 32,37,47

*lekali bhuwa* (*bhuwa* on the *lek* or high cliffs), 31,32,36

*Brahman-Thakuri* consortium, 43

**c**

calendar of female activities, 66,67

capital investment, 70

*chokha* ('clean'), 33,41,45

cholera epidemic of 1975, 44

class categories, 33,34,35

collateral (exclusively land deeds), 72

consumption, 70

credit, 54,70

crop, 32,44,46

export crop, 44

*ghaderi* crops, 49,50

*lekali* crops, 50

major crops, 46,47

production, 31, 46

productivity, 32

protection, 50

rotation, 46,49,50

three-year cycle, 50

**d**

development programmes

Remote Area Dev. Programme, 57

Small Farmers' Dev. Project, 71

*dhagre* (simple labourer), 63

distress borrowing, 53

*dum* (a more derogatory term than *kamse*), 45

dynasty

Jalandhar kings, 43

*Marulle* king, 68

**e**

export potential, 51,55

farmyard manure, 51,56

dried pine needles, 51,66,67

*pire* (special grass), 51

**f**

festivals, 33,63

*Dasain* (the most important Nepali festival), 63

*Maghe Sankranti* (first day of *Magh*), 63

*Shrawan Sankranti* (first day of *Shrawan*), 63

fodder, 45

grass, 45,50

supply, 45

food, 51,52

seasonal food shortage, 54

sufficiency, 51,52

forced germination of paddy seeds, 48

forces of change, 43  
forest land, 44,45  
    cultivable, 44  
    titled owner, 44  
    undeclared, 44

## g

government organisations  
    agricultural office, 51  
    Cooperative Society, 54  
    District *panchayat*, 69  
    Forest Department, 46  
    Rara Wild Life Sanctuary, 46  
grasslands, 45

## h

horticultural development, 56  
    apples, 56,57,58  
    walnuts, 56,58

## i

institutions, 55  
    *haligado*, 33,37  
    *ista*, 37,55,56  
    *lagi-lagitya*, 33,37  
        chokha lagi, 33  
        kamsel lagitya, 33,37  
irrigation, 32,44  
    *kumthel* (members  
        of *Kumthi*), 68,69  
    *kumthi* management (strong  
        beneficiary-based, local  
        institutional arrangement), 68

## j

*jau* (barley), 32  
*jjyula* (local term for *khef*), 31,32,33  
    *chyute* (only one good crop of  
        paddy a year is grown), 32,46,47  
*jawad* or *jawadi* (mostly paddy and  
    barley are grown), 32,46,47  
*seem* (swampy land which gives

only one good crop of paddy a  
year), 32,46,47  
Junior Technical Assistants, 57

## k

kamsel ('polluted'), 33,39,40  
    *Damai*, 37,40,41  
    *Kami*, 40,41,43  
    *Sarki*, 40,41  
*Khasa*, 56,63,75

## l

labour, 37,59,61  
    agricultural, 59  
    mobilisation, 61,65  
        female labour, 65  
        *kamsel* labour, 61,65  
        *lagitya* labour, 61  
        *parma* system, 61  
    requirements, 59  
    wages, 61,65  
        daily wages, 65  
land, 32,33,37  
    distribution, 32,33,34  
    ownership, 32,33,37  
lenders' market, 72  
livestock, 66,72,74  
    ownership, 75,76  
    seasonal movement, 77  
    types of livestock, 75  
loans, 69,70,71

## m

Malthusian interventions, 44  
*mela* (a generic term used to denote  
    either work or holdings), 81  
migration, 48,53  
*Mugali*, 53,54,55

## n

*narala* (watchmen), 50

o

- organisation of pasturing, 78
  - naso* (another arrangement meaning holding and giving in trust), 78
  - saundi* (traditional institutional mechanism under which flock owners go to the pasture in small groups of three or four people), 78

P

*Pawai* (Khas), 75,77

r

- relative economic status, 32
  - primary indicator, 32
- renumeration (for *lagitya*), 63
  - khalo* (payment), 63,64
- river, 77
  - Sinja, 77
- Rodini* (variety of paddy), 55

s

- sample, 33,37,39
- "saturation indebtedness", 74
- selective adaptation, 46
- slashing and burning, 46
- subsistence system, 31
  - annual cycle of farming, 31
  - transhumance, 31

t

- Thakuri*, 41,43
- Thalu* (a member of the local elite), 80
- three year-long drought, 44

u

- upward mobility, 41

v

- valley, 55
  - Sinja, 55
- varna* philosophy of Hinduism, 43

y

- yield rates, 51,52,55

## Chapter 3

a

- agriculture, 87

c

- chokha* (upper castes), 84
- Community Forestry Programme/Project, 85,89

d

- decision-making process, 87,90
- deterioration of village forests, 84,86,87

f

- forest, types of, 89
  - "*Ashoje*", 89
  - PPF (Panchayat/Protected Forest), 89
  - "Winter", 89

g

- government intervention, 89
  - promotional posture, 89
  - restrictive posture, 89,91
- Government sub-district forest office, 91,92,94
  - male committee, 94
  - supervision committee, 90
  - female committee, 90,94

**k**

*kamsel* (lower castes), 84,90

**l**

landholding, types of, 87

*ghaderi*, 87,88

*iyula*, 87,88,93

local custom (*ritithith*), 87

**m**

*mukhiya* (headman), 90

**p**

*pakho* (unirrigated land), 83

*piral* (fallen pine needles), 87,88,90

*Pradhan Pancha* (village head), 91

population growth, 84,86

protection and management, 88

**s**

*sandhi sarpan*

(community property), 84,85

*serma* (homestead tax), 83

system, 88,90,91,83

*Panchayat*, 91

traditional forest

management, 88,95

*ban naralo*, 89,95

community land grant, 88

*Kumthel*, 95

**t**

*talukdar*, 90,92

typology, 93

**u**

user group forestry, 93

**Chapter 4****a**

annual agricultural calendar, 98

**b**

*baniyas* (shopkeepers), 103

*Byansi* (people of Darchula), 100

**c**

*chokha* (upper castes), 105,109

**d**

defense mechanisms, 106

**i**

institution, 98

*ista* (bosom friend), 98,108

**j**

*Jumli* (people of Jumla), 101,103,107

**k**

*kamsel* (lower castes), 101,105,109

*Khas*, 98

**l**

limited resource base, 98

**m**

migration, 97,98,100

long-term, 98

seasonal, 98,100,103

*Mugal Bhotia*, 97

**n**

network, 97,98

economic, 97

social, 97  
transportation, 98

increased pressure of  
population, 101

## p

population growth, 98,103

## r

returns from working and trading  
trips, 107

## s

salesmanship, 99  
subsistence system, 98  
    manual work, 98,100,101  
    trading trips, 98,100,106  
"symbiotic exchange", 97

## t

Tibet, 97,98  
trade, 97,98,101  
    inter-regional, 97  
    intra-regional, 97  
    Trans-Himalayan, 97  
trading pattern, 100,103  
    destinations, 100  
    purposes, 100  
    wares, 100  
    asafoetida, 103,104,106  
    horses, 98,100,102  
    medicinal herbs, 98,100,102  
    mushrooms (*marcela*), 109  
    *shilajeet* (ayurvedic medicine  
    and aphrodisiac), 100,104,105  
    *taro* (white geological  
    substance), 100, 101  
    woollen products/  
    goods, 97,98,100  
trading post at Joljibee, 98,100,102  
trade regime, 101  
    changes in the infrastructure, 101  
    forces of change, 101

## w

western Malla Kingdom, 97  
western Nepal, 97

## Chapter 5

### a

accountability, 120  
adult suffrage, 112,113

### c

*chokha* (upper castes), 114,119

### d

dwindling resource base, 111

### f

factionalism, 114,117,119

### g

general elections, 118,119

### h

Hamal *Thakuri* (offspring of *Brahman*  
father and *Thakuri* mother), 115

### i

institutional mechanisms, 121

### k

*kamsel* (lower castes), 112,114,117

### m

*mukhiya* (headman), 112,112,121

multiparty system, 117  
     CPN-UML, 117  
     National Democracy Party, 120  
     Nepali Congress Party, 116, 117, 118  
     "Rohit" (splinter leftist group), 116, 118, 120

**o**

orthodox Hinduism, 111  
     caste segregation, 111, 121  
     exploitative economic structure, 111  
     stratified social structure, 111  
     uneven resource distribution, 111

**P**

*Panchayat* System, 112, 114, 117  
     *Pradhan Pancha* (head of the village), 112, 113, 114  
 political base, 113  
 political structure, 111  
 population growth, 111

**s**

"safe voting", 119  
 Seventh Five Year Plan, 113  
 sustainable local development, 122

**t**

*talukdar*, 111, 114, 115  
 traditional forces, 111  
*thakuri*, 115  
*thalu* (a member of the local elite), 121

**u**

user groups, 113, 121, 122

**v**

Village Development Committee, 112, 113  
 Village *Panchayat* Act, 112

**c**

*chaukidar* (watchman), 128  
 Cooperative society, 124, 133

**d**

development interventions, 123  
     donor-funded, 123  
     government-sponsored, 123, 134

**h**

health interventions, 129  
     Acute Respiratory Infection (ARI) Control Programme, 130, 135  
     family planning, 131  
     Female Community Health Volunteer Programme, 131  
     health post, 129, 130, 132  
     immunisation programme, 129

**k**

Karnali-Bheri Integrated Rural Development Project (K-BIRD), 123  
     adult literacy classes, 124, 127  
     agricultural extension, 124, 125, 134  
     day care centre, 124, 127  
     drinking water project, 124, 127  
     environmental conservation, 124  
     livestock development, 124  
     Small Farmers' Development Project (SFDP), 124, 16, 132  
         community development activities, 126  
         voluntary credit groups, 126  
     Village Development Training Programme, 125, 126

**r**

"Remote Area Development", 132

**s**

- specific features, 134
  - conflict resolution, 134
  - declining resource base, 134
  - irregularities in management, 135
  - mechanical extensions, 134

**Chapter 7****d**

- development interventions, 146
  - Jumla Agricultural Research Centre, 145
  - Karnali-Bheri Integrated Rural Development (K-BIRD) Project, 145
  - Remote Area Development Programme, 145

**e**

- economy, 146,148,150
- external interventions, 137
  - national development programmes, 138,145

**g**

- Government authority, 137
  - bada hakim* (literally meaning big chief), 137
  - Panchayat*, 137,138
  - Zonal Commissioner, 137

**h**

- homeostasis, 138
  - "homeostatic state"/ homeostatic, 143

**i**

- implications, 142,145

**k**

- kamsel* (lower castes)/castes, 139,141,142

**l**

- landholding, types of, 139,141,143
  - ghaderi*, 140
  - kyula*, 140

**o**

- options, 140,141,142
  - for coping, 140
  - credit, 147,148,153
  - poverty alleviation programme, 147

**p**

- per capita land ownership, 139
- poor resource base, 138
