ICIMOD Workshop Series

The International Centre for Integrated Mountain Development began professional activities in September 1984, with the first objective of reviewing development and environmental management experience in the Hindu Kush-Himalayan Region. International Workshops were planned in several major fields to review the state of knowledge and practical experience, and also to provide an opportunity for the exchange of professional expertise with regard to integrated mountain development.

Workshops held included :

- **International Workshop on Watershed Management in the Hindu Kush-Himalaya**
14-19 October, 1985, Chengdu, China
- **International Workshop on Planned Urbanisation and Rural Urban Linkages in the Hindu Kush-Himalaya Region**
25-29 March, 1986, Kathmandu, Nepal
- **International Workshop on District Energy Planning and Management for Integrated Mountain Development**
3-5 May, 1986, Kathmandu Nepal
- **International Workshop on Off-farm Employment Generation in the Hindu Kush-Himalaya**
17-19 May, 1986, Dehra Dun, India
- **International Workshop on Mountain Agriculture and Crop Genetic Resources**
16-19 February, 1987, Kathmandu, Nepal
- **International Workshop on Women, Development, and Mountain Resources: Approaches to Internalising Gender Perspective**
21-24 November, 1988, Kathmandu, Nepal
- **International Symposium on Mountain Environmental Management**
11-14 April, Kathmandu, Nepal
- **International Expert Meeting on Horticultural Development in the Hindu Kush-Himalayan Region**
19-23 June, Kathmandu, Nepal
- **International Expert Meeting on Apicultural Development in the Hindu Kush-Himalayas**
21-23 June, 1989, Kathmandu, Nepal

These Workshops were attended by experts from the countries of the Region, in addition to concerned professionals and representatives of international agencies. A large number of professional papers and research studies were presented and discussed in detail.

Workshop Reports are intended to represent the discussions and conclusions reached at the Workshop and do not necessarily reflect the views of ICIMOD or other participating institutions.

Report of the

**International Expert Meeting on Apicultural Development
in the Hindu Kush-Himalayan Region**

International Centre for Integrated Mountain Development
Kathmandu, Nepal

ICIMOD is indebted to the co-sponsors of this Expert Meeting: the Ministry of Agriculture, HMG, Nepal and the Food and Agriculture Organization (FAO) of the United Nations. It was a great honour to all of us that the inaugural session was chaired by Mr. Janak Bahadur Shah, Hon'ble Asst. Minister for Agriculture, HMG, Nepal and Mr. Krishna Charan Shrestha, Hon'ble Minister of Agriculture, HMG, Nepal inaugurated the meeting with a thought provoking and stimulating address.

I must express my sincere thanks to Prof. L. R. Verma of ICIMOD, who acted as Convenor of this Expert Meeting and also contributed greatly to the preparation of this report. I acknowledge with pleasure the efforts made by the former Director of ICIMOD, Dr. Colin Rosser, for initiating and organizing this meeting. The support received from the professional and administrative staff of ICIMOD is sincerely acknowledged.
