## Acknowledgements

We would like to thank the many colleagues who contributed to the preparation of this paper. In particular, in ICIMOD, we would like to extend our sincere thanks to Dr Andreas Schild, Director General, for his valuable guidance, inputs, and suggestions; Dr Madhav Karki, Deputy Director General for his insightful review; and Dr Eklabya Sharma, Programme Manager Environmental Change and Ecosystem Services; Dr Michael Kollmair, Programme Manager Sustainable Livelihoods and Poverty Reduction; Dr Bhaskar Karki, Resource Economist; Dr Arun B Shrestha, Climate Change Specialist; Dr Pradeep Mool, Remote Sensing Specialist; and Dr Mats Eriksson, Senior Water Specialist for their many comments, and support; and from the Ministry of Environment of the Government of Nepal, Mr. Batu Uprety, for his inputs, support and feedback.

We would also like to acknowledge and extend our gratitude for the valuable feedback, constructive criticism, and suggestions received from the many reviewers from the field of sustainable mountain development, especially Dr. Narpat S Jodha, formerly Senior Advisor to ICIMOD; Dr Dinesh Devkota, Member of the National Planning Commission, Nepal; Professor Bruno Messerli of the University of Berne; Professor Matthias Winiger of the University of Bonn; Dr Miguel Saravia from CONDESAN; Dr Thomas Kohler of the Centre of Environment and Development at the University of Berne; Professor SP Singh of HNB Garhwal University; Mr Douglas McGuire from the Mountain Partnership; Professor Jianchu Xu from ICRAF; and Dr Mahesh Banskota, Dean of the College of Arts and Humanities, Kathmandu University. Our special thanks go to Professor Martin Price from the Centre for Mountain Studies for his vital support, detailed reading, and feedback on the paper.

Finally, gratitude also goes to the editorial team at ICIMOD, especially Dr A Beatrice Murray, Ms Punam Pradhan, and Mr Asha K Thaku, for their help in bringing the document to its present form.
