

# Community-Based Conservation and Restoration of the Mera Alpine Zone

Makalu-Barun National Park and Buffer Zone  
Solu Khumbu District, Nepal

Naulekh Peak-4

## The Project:

“Community-Based Conservation and Restoration of the Mera Alpine Zone” was established in May 2007 to protect and restore the fragile alpine ecosystems of the Makalu-Barun National Park & Buffer Zone.

This project is supported by The Mountain Institute with financial support from National Geographic Society and Argosy Foundation.

## Objective:

Strengthen local capacities to conserve and restore the fragile alpine ecosystem in the Mera Alpine Region of Makalu-Barun National Park and Buffer Zone.
