

Publications Resulting from the Jhikhu Khola Watershed Project

- Schreier, H., P. B. Shah and G. Kennedy. 1990. Evaluating mountain watersheds in Nepal using Micro-GIS. **Mountain Research and Development**, Vol. 10: 2. 151-159.
- Schreier, H., G. Kennedy, P. B. Shah and S. Brown. 1991. The food, feed and fuelwood resources of Nepal: A GIS evaluation. **Environmental Management**, Vol. 15: 815-822.
- Schreier, H., P. Shah, M. Schmidt, and G. Kennedy. 1991. Nepal 2000, A GIS evaluation of the major resources. In: Heit, M. and A. Shortreid (eds.) **GIS Applications In Natural Resources**, GIS-World, Fort Collins, Colorado, pp. 89-95.
- Shah, P. B., H. Schreier, S. Brown and K. Riley. 1991. (Editors). Soil Fertility and Erosion Issues in the Middle Mountains of Nepal. **Workshop Proceedings**, Jhikhu Khola Watershed, April 22-25, International Development Research Centre (IDRC), Ottawa, 268 pp.
- Schreier, H. and S. Brown. 1992. GIS Approaches to resolve resource conflicts in the Himalayas. **Geo-Info Systems**, Vol.2: 52-56.
- Smith, K. T., G. Kennedy, P. B. Shah and H. Schreier. 1993. A district evaluation of fuelwood resources in Nepal. **Forest Chronicle**, Vol. 69:594-599.
- Schmidt, M. and H. Schreier. 1993. Factors affecting the soil, foliar and litter nutrient status of forest sites in a mountain watershed in Nepal. **Soil Science**, Vol. 44:417-425.
- Shah, P. B. and H. Schreier. 1993. Sustainable Agriculture in the Middle Mountains of Nepal: Trends and Options. In: Salinas, F. T. (ed.). **Sustainable Upland Agriculture, Conference Proceedings**. Cordillera Studies Centre, University of the Philippines Baguio, pp 2-9.
- Schreier, H., S. Brown, M. Schmidt, P. B. Shah, B. Shrestha, G. Nakarmi S. Wymann. 1994. Gaining forests but losing ground; A GIS evaluation in a Himalayan Watershed. **Environmental Management**, Vol. 18: 139-150.
- Schreier, H., P. B. Shah, L. M. Lavkulich, and S. Brown. 1994. Maintaining soil fertility under increasing land use pressure in the Middle Mountains of Nepal. **Soil Use and Management**, 10:137-142.
- Schmidt, M., H. Schreier, P. B. Shah. 1995. A GIS evaluation of land use and soil fertility in a watershed in Nepal. **Intern. Journ. Geographic Information System**. Vol. 9: 317-327.
- Carver, M., H. Schreier, G. Nakarmi, and A. R. Pathak. 1995. Land use effect on stream suspended sediments in the Middle Mountains of Nepal. Canadian Society of Hydrological Sciences, **Conference Proceedings: Mountain Hydrology**,; Peaks and Valleys in Research and Applications. Canadian Society for Hydrological Sciences, CSHS, Cambridge, ON pp. 73-78.
