

The Author

Brian Carson has worked in Nepal as a soil scientist with Kenting Earth Sciences Ltd. and was engaged on the Land Resource Assessment Project. Subsequently he was the Project Leader for the Master Plan for Horticulture of HMG/Nepal.

Mr. Carson has a B.Sc. in Soil Science and an M.Sc. from the University of British Columbia, Canada. His M.Sc. thesis dealt with soil erosion in Timor, Indonesia, and he has worked in various developing and developed countries on projects dealing with irrigation and the survey and conservation of soils.
