

The Author

Dr. Liu Yanhua, an economic geographer by training, is a senior scientist at the Chinese Academy of Sciences and is working at the Institute of Geography, Beijing.

He is a specialist on the development problems of Tibet, having worked in and on the development problems of the region for more than a decade. He has not only published several research papers and books on Tibet, but has been engaged in advisory work on Tibet for both the Tibetan and Chinese national governments. He prepared this paper while working at ICIMOD.
