

Ongoing Projects 2003

Within the overall framework of the ICIMOD Strategic Plan 'Partnerships in Mountain Development: Securing the Future of the Hindu Kush-Himalayas', ICIMOD receives co-financed support for its core programme initiatives from regional partners and international donors. In addition to substantial in-kind contributions from partners, the following co-financed projects were operational as of 31 December 2003 and are listed below by title, duration, donor, and participating countries.

Regional Rangeland Programme for the HKH Phase II, 1 May 2003 - 30 April 2006, Federal Government of Austria

Management of Local Animal Genetic Resources, 1 July 2002 - 30 September 2003, Food and Agriculture Organization

Producing a Manual for Planning and Design of Projects in Community Empowerment in Livestock
February 2003 - 30 September 2003, Food and Agriculture Organization

Investigating Issues and Options for Improving Livelihoods of Marginal Mountain Farmers
July 1999 - December 2003, Australian Centre for International Agricultural Research

Smallholder Dairy Production in the Hills/Highlands of HKH Region
July 1999 - on going, International Livestock Research Institute

Land Policies and Characterisation of Mountain Agroecosystems, July 1999 - December 2003, International Potato Centre

Methodologies for Assessing Sustainable Agricultural Systems in the HKH
February 1999 - June 2003, The International Service for National Agricultural Research

Indigenous Honeybees in Mountain, 1 May 2002 - 31 December 2004, Austroprojekt, GmbH Austria

People and Resources Dynamics in Mountain Watersheds of the HKH Phase III
January 2003 - December 2005, International Development Research Centre

People and Resources Dynamics in Mountain Watershed of the HKH Phase III
January 2003 - December 2005, Swiss Agency for Development and Cooperation

Organisation of the Asian Regional Workshop in Kathmandu
June 2003 - October 2003, Food and Agriculture Organisation

Cash Crop Farming in the Himalayas: The Importance of Pollinator Diversity and Managed Pollination
May 2002 - February 2004, Food and Agriculture Organization

TMI/ICIMOD Strengthen the Gender Mainstreaming Programme
September 1999 - December 2004, The Mountain Institute

Developing Transboundary Conservation Landscape for the Eastern Himalayas
September 2002 - October 2005, MacArthur Foundation

Associate Experts Programme, July 2002 - June 2005, The Netherlands Minister for Development Cooperation

PARP on Equity and Poverty in Community Forestry/Mountain Commons
May 2000 - April 2004, Swiss Agency for Development and Cooperation

Indigenous Culture Equity Gender Governance
November 2003 - November 2005, Interchurch Organization for Development Cooperation

Developing a Regional Network for Sharing Hydrological and Meteorological Data to be used in Flood Prediction, January 2001 - March 2005, US Department of State/Regional Environment Office for South Asia

Regional Flood Forecasting/Information Exchange Project
January 2002 - September 2004, United State Agency for International Development

Regional Rangeland Programme for HKH (Phase I), January 1999 - March 2003, Federal Government of Austria

Sustainable Management of the Mountain Commons in the Local Water Harvesting in the HKH
May 1999 - April 2003, Ford Foundation

Policy Analysis Dialogues & Capacity Building (Bridging Grant), July 2001 - December 2003, Ford Foundation

Sustainable Management of the Mountain Commons in the Eastern Himalayas of the HKH
May 1999 - April 2003, Ford Foundation

International Year of Mountains 2002, February 2001 - June 2003, Ford Foundation

Secure Farmers Right to Livelihoods in the HKH, May 2001 - Dec 2003, Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ) GmbH

Capacity Building of Community-based Organisations
June 2002 - May 2005, Interchurch Organisation for Development Cooperation

Snow and Glacier Aspects of Water Resource Management in the HKH (SAGARMATHA)
March 2001 - March 2004, Centre for Ecology and Hydrology

Sustainable Management of the Mountain Commons Policy Studies of the HKH
May 1999 - April 2003, Ford Foundation

Incorporating Needs & Roles of Women in Water & Energy Management
January 2002 - December 2004, United Nations Environment Programme

KYOTO, Think Global Act Local, January 2003 - March 2004, Universiteit Twente

Securing Livelihood in Uplands and Mountains of the HKH
September 2000 - September 2004, International Fund for Agricultural Development

Sustainable Livelihoods Approach to Access to Natural Resources
July 2003 - November 2003, Food and Agriculture Organization

Towards a Regional Geographic Information Infrastructure in HKH
March 2002 - March 2004, Asian Media Information and Communication Centre/IDRC

Regional Hydrological Data Centre of HKH Friend Network
January 2001 - December 2004, Centre for Ecology and Hydrology

Implementation of Male Declaration on Control and Prevention of Air Pollution
March 2002 - March 2004, United Nations Environment Programme

Development of Early Warning Systems for Glacial Lake Outburst Floods
January 2003 - January 2004, United Nations Environment Programme

Identification of Potential GLOFs (APN/START GIS) Phase II
April 2003 - March 2004, Asia Pacific Network for Global Change Research/System for Analysis Research and Training

Identification of Potential GLOFs (APN/START GIS) Phase I
April 2003 - March 2004, Asia Pacific Network for Global Change Research/System for Analysis Research and Training

Flood Risk and Vulnerability Mapping using GIS
March 2003 - 31 October 2003, United Nations Educational, Scientific and Cultural Organisation

Water Resource Management in Bangladesh
January 2003 - December 2003, United Nations Educational, Scientific and Cultural Organisation

3rd Steering Committee Meeting in the HKH Friend
May 2003 - January 2003, United Nations Educational, Scientific and Cultural Organisation

Prototyping Ecoregional Analysis Tools, January 2003 - December 2004, International Potato Centre

Barriers and Best Practices in Integrated Management of Mountain Ecosystems
(period open), United Nations Environment Programme

Workshops on High Mountains Wetland Initiative, August 2003 - March 2004, World-Wide Fund for Nature

Coordination and Convenorship of Mountain Forum Programme Phase II
January 2001 - December 2003, Swiss Agency for Development and Cooperation

Asia Pacific Mountain Network (Phase III)
January 2004 - December 2006, Swiss Agency for Development and Cooperation

Promoting the Use of Alternative Media for Information Transfer, July 2002 - June 2005, Ford Foundation

Joint Study on Indicators of Development in Nepal
May 2003 - December 2003, Netherlands Development Organisation

Protection of Fragile Mountain Environment,
October 2002 - October 2003, Deutsche Gesellschaft für Technische Zusammenarbeit (GTZ) GmbH

Institutionalisation of Geoinformation for Urban Disaster Management
September 2003 - September 2003, International Institute for Geo-information Science and Earth Observation

CMW: Support to International Meeting, May 2002 - May 2003, Swiss Agency for Development and Cooperation
